DETAILED ACTION

Allowable Subject Matter

1. Claims 1-12 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 1-12 are allowable over the prior art made of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of said prior art which teaches a carriage comprising an electrically conductive frame disposed near an original surface of a substantially horizontally set original, and extending in a first direction in parallel with the original surface; a cold cathode fluorescent lamp for illuminating the original surface, the cold cathode fluorescent lamp extending in the first direction and being disposed on the frame; an optical member for guiding reflection light reflected by the original surface; and a lighting circuit, attached to one end portion of the frame near a positive electrode of the cold cathode fluorescent lamp, for lighting the cold cathode fluorescent lamp, respectively, as set forth in Claims 1,5,9,12 including all of the features recited therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
